

DAD'S KID RUN

The Dad's Kid Run offers a safe fun way for children to participate in a race. Dads will run with their kid(s) age 8 and under on the .7K course. We also allow grandfathers, uncles or any father-figure (that could include mom). The kid runs free with a registered parent.

- ☺ Everyone is a winner and will receive a finisher's ribbon
- ☺ Fun stuff in the run packet
- ☺ Their own #1 race bib.

Dr. Chuck Dietzen, M.D. is a Pediatric Rehabilitation Specialist and founder of The Timmy Foundation (www.timmyfoundation.org). Bobby Gibbs is the Executive Director of the Regenstrief Boys and Girls Club in Connersville. His wife, Ann, is the Secretary for the Club. The clowns from Smiles Unlimited will join Dr. Chuck, along with Bobby and Ann to ratchet up the fun.

The DKR begins at 9:00 AM and will be held between the School of Nursing and Riley Hospital on the IUPUI Campus.
